girls who code PATHWAYS

Free, virtual program for high school students

Build coding skills, follow your passion, and explore tech careers with mentors and peers who'll inspire and support you every step of the way.

JOIN US!

FORGE YOUR OWN PATH IN CUTTING-EDGE TECH.
CODE. CREATE. CONNECT.

What is it?

Learn to code at your own pace, apply new skills to real-world projects, and connect with industry pros and an exclusive Discord community.

Who gets to join?

High school girls and non-binary students of all experience levels — including rising 9th graders, graduating seniors, and returning participants.

What will you learn?

Choose from courses in artificial intelligence, data science, cybersecurity, game design, and web development.

What's in it for you?

Learn at your own pace with step-by-step video tutorials.

Get help in Advisor Events, Student Hours, and Discord.

Gain mentorship from Partner Events.

Earn certificates for completed courses.

When is the program?

Upcoming Cohorts:
- Summer 2026
- Fall 2026
- Spring 2027

~6-7 weeks at your own pace

Each course in a track takes 3-6 hours to complete.
